1. The one called Philip looked at Him as if He were ____ & asked, "Where can we buy enough bread to feed everyone?" I wondered that too. The nearest village was miles away, & there were far more people here than in most villages! And it would have taken seven months' wages to pay for it all.
5. I don't know how long we stood there listening to Him. He gave us so much hope-unlike the priests & rulers. Even the little children didn't fuss. Suddenly I noticed that the sun was sinking in the west. My ____ started to growl. I heard the disciples telling Jesus that we needed to leave so we could eat. Jesus said the strangest thing to them, "Give them something to eat."
