Across

1 Of course Sanballat, Tobiah, & their new partner in crime, Geshem the Arab, heard about what we're trying to do. They tried to accuse me of ____ (they know nothing about my close relationship with the king).

3 He asked me directly, "What do you want?" I said a quick prayer silently before I answered. I told him I wanted to go back to my homeland to rebuild the ____ of my city.

5 30th day, Kislev, Year 20 Today I confessed to God the sins of Israel, including my sins & those of my family. We have acted very wickedly toward Him. We have disobeyed His laws. I asked God to ____ us.

6 Then I rode toward the ____ Gate & the King's Pool. There wasn't even enough room for me to get through on my horse, so I went through the valley & inspected the wall.

9 [Tuesday's lesson] Use Nehemiah's prayer as a model. Praise God first, confess your sins, claim His ____, ask Him to meet your needs.

11 While I was serving lunch, the king mentioned how sad I've been looking. How could he tell anything was wrong? I've been trying to hide it, but the ____ & crying has caught up with me.

13 [Thursday's lesson] What helped the Israelites decide to start rebuilding the walls of Jerusalem after they listened to Nehemiah's?

4 FTWTF - Title

7 I went out through the Valley Gate & rode toward the Dragon Well & the ____ Gate. These are all broken down. Fire has destroyed the gates.

8 I was afraid for my life, but I told him about ____ anyway. I've been waiting four months for this chance!

10 Maybe he could help me even more. I took a deep breath & asked for letters of introduction for the governors of the provinces on the way, & timber for the walls, the gates, & the house in which I will live. He gave me everything I asked for! He even sent with me a ____ escort. GOD IS GOOD!
