APPLYING THE LESSON

Situation Cards

(For Applying the Lesson, Lesson 13)

<p>1. You and a friend are hopelessly lost in the woods at night. Your friend is terrified of bears.</p>	<p>2. Your friend overhears her parents having a heated argument. She confides in you that she is afraid that they will divorce. She does not know how she could cope if her family split up.</p>	<p>3. Your friend's mom has been diagnosed with cancer. How can you comfort your friend?</p>
<p>4. Your grandfather is dying and you are going to his bedside to tell him goodbye. What would you tell your grandfather?</p>	<p style="text-align: center;">SITUATION CARDS</p> <p>Directions: Photocopy this page and cut apart the squares. Place the squares in a basket ready for the activity Situation Squares.</p>	<p>5. Your teenage friend was in a car accident that has disfigured his face. What comfort can you bring him?</p>
<p>6. Your little cousin is being bullied at school. How can you help him?</p>	<p>7. Your friend has to dive from the high board to complete a PE class. He confides in you that he is afraid of heights. What text from the lesson can help him?</p>	<p>8. Your aunt is upset because her fiancé, who is in the army, is being sent overseas for six months. She is afraid that he will find someone else while he is gone. What assurance can you offer her?</p>
