- [Monday's lesson] Read Genesis 16:5-6. Search the \_\_\_\_\_ & find a story in which people have chosen to solve a problem their way rather than God's way.
- Abraham & Sarah lived at a time when a large family was a great honor. But at the age of \_\_\_\_\_ they were still childless.
- Sarah was certainly angry. Jealous. Even mean. The Bible says she mistreated Hagar, & Hagar ran away to the desert. Out there in the desert, near a spring, an \_\_\_\_\_ found Hagar all alone.
- [Tuesday's lesson] Write some modern \_\_\_\_\_ to these people in your Bible study journal.
- Abraham might have thought that would solve his problem, but he was mistaken. Disregarding God's plan for his \_\_\_\_\_ was disastrous. .

- "Take my servant girl, Hagar, as your \_\_\_\_\_," Sarah said to Abraham. "She will have that son for you."
- The Bible doesn't tell us how long Abraham thought about the \_\_\_\_\_; however, we can be sure he didn't ask God about the plan. He was desperate.
- Even though he lived among heathens who thought nothing of marrying several wives, until now Abraham had not \_\_\_\_\_ their customs.
- "Go back to Sarah ...submit to her. You will have a son, whom you will name Ishmael." so Hagar returned, & Ishmael was \_\_\_\_\_. At long last Abraham had a child, a son whom he loved, & things seemed to settle down.

- "No," said God. "Your own son will be your heir. Your children will be as many as the \_\_\_\_\_, for I will make of you a great nation."
