Power Point

Gods love grows in us until it fills our lives.

Power Text

Gods love grows in us until it fills our lives.

Across

- "When she makes bread she adds only a small amount of yeast in comparison to the flour. But the yeast works throughout the _____. It doesn't just stay in one little corner. As the yeast spreads through the _____, the bread begins to rise."
- "But what happens when that seed is planted in the ground? First the young shoots poke up out of the ground. As the stalk grows taller & the branches begin to reach out, leaves & _____ form on the plant. Eventually the mustard plant is the tallest plant in the garden."
- The boy put his hand on his mother's shoulder. "Do you know how to make _____ bread?"
- The boy stopped again. "And the farmer has to put the seed into the ground. So the _____ of the new kingdom might already be here." he said slowly. "That could be," said his father.
- [Wednesday's lesson] Read Matthew 13:33. Ask an adult to get you some yeast. _____, taste, & touch it.
- "I don't know," the friend replied, rubbing his _____. "I guess I thought it would be a different kind of kingdom. The kind that would conquer the Romans."

Down
