Across

1. [Thursday's lesson] Read Revelation 5:11-13. Talk with your parents about your church's ____ service. In what ways can your family become involved in it? How can it become more meaningful for your family?
5. It had been a month since the Temple reopened, and everyone was invited to renew their love for God and remember Him with more than an ancient story; they would use more than one of their senses. They would hear the story, eat special food, light special ____, sing, and visit together like a special weeklong camp meeting.
6. There's a ____ for meaningful worship in this story. Have you figured it out? Worship God with all your heart, give Him your best, and spend time with others.

10. There's a strange but interesting thing about humans: unless we involve more than one of our senses in ____ an event, we tend to forget it. Can you remember your fourth birthday without the help of pictures?
12. On the appointed day a huge crowd of people entered Jerusalem for the Passover. They must have found places to stay in the inns and ____ around town.
13. They extended the gathering for one more week and continued to celebrate God with great joy. In all, the sacrifices and feasts included 2,000 young bulls and 17,000 ____ and goats.

4. Perhaps townspeople even opened up their homes to some of the guests. Some probably made the traditional roof of woven ____ fronds and set up little booths. They all felt so happy to be worshiping God together as their ancestors had done.
