- "Serving God," Jesus explained, "means being ____ to be to others the way God is to us. Loving our enemies means we will always act in other people's best interest even if they are determined to hurt us."
- A large crowd had gathered on a big level place. All types of people were there. Jesus & the 12, newly appointed apostles, went down to join them, & Jesus began to talk. Everyone listened with attention. Jesus' words seemed so ____, but His ideas were sometimes hard to understand.
- "____ everyone as you would like them to ____ you."
- [Thursday's lesson] Read Romans 12:14- 21. Talk with an adult about what it means to "heap ____ coals" (NIV) on someone's head, as it states in verse 20.
- Jesus smiled at him, "Doesn't God send the sun & the rain on the ____ & the disobedient? Can't they all hear the birds sing on a beautiful spring morning?"
- [Friday's lesson] Read 1 John 4:17-21. Is what God is asking ____? How can we love our enemies?
- Then He started on a slightly different subject. "Let me tell you how to experience real _____. Love your enemies, do something good for those who don't like you, say something good about those who curse you, & pray for those who exploit you & use you to further their own interests.
- "It can be done only as we ____ that kind of love from God ourselves, & then turn & reflect it on to those around us- whoever they are. Loving like that is the true sign of royalty, of being sons & daughters of God."
