Fits

**Power Text**  
"The crowds that went ahead of him & those that followed shouted, 'Hosanna to the Son of David!' 'Blessed is he who comes in the name of the Lord!' 'Hosanna in the highest heaven!' " Matthew 21:9

**Across**

**Down**

- 6. [Monday's lesson] Read Matthew 21:1-11. What does " \_\_\_\_ " mean?
- 7. John looked up at Jesus' face. He wondered if Jesus felt the excitement too. Jesus \_\_\_\_ back at him.
- 9. "Yes!" John nodded his head as he strode along. "That's what He said. You know that's the way kings do things. They have the authority to take anything they need or want. I think Jesus is going to \_\_\_\_ His kingdom today!"
- 11. FTWTF - Power Text
- 12. FTWTF - Power Point
- 1. "Listen," Jesus said softly, "there's something I want you to do for Me. You & Thaddaeus go on into the village of Bethphage. You will see a \_\_\_\_ tied up there with its colt beside it. Untie them & bring them here."
- 2. John & Thaddaeus spread their \_\_\_\_ over the colt. It wouldn't be proper for the Master to ride bareback. John wished he had had the time to prepare something more elegant.
- 3. If he had only known! People in the crowd began to strip off their coats too, & spread them on the ground for Jesus to ride over. Other people pulled \_\_\_\_ from the palm trees & laid them on the road.
- 4. [Friday's lesson] On a banner or \_\_\_\_, write a praise (such as Hosanna!) of your very own that you can keep in your room as a reminder of God's goodness to you. With your family, read Revelation 14:7. What reason does this verse give for worshipping God?
- 5. He saw people that Jesus had delivered from demons, people He had cured of \_\_\_\_ & leprosy & lameness & all kinds of diseases. He saw people that Jesus had brought back to life from the dead.
- 8. FTWTF - Title
- 10. And everyone as far as he could see seemed to be shouting or dancing with joy. It was the \_\_\_\_ entry of a King into His city!
- 13. John looked a little puzzled. Jesus continued with His instructions. "If anyone asks what you are doing, just say, 'The \_\_\_\_ needs them.' "
