### Power Text

"Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, & after you have done everything, to stand"  
Ephesians 6:13

- "That's right," Mr. Andrews said. "And this is what I want you to remember. We are in a war. And on our own, with our own \_\_\_\_ & power, we would be absolute losers in a battle with the devil. There's no question about it."
- Mr. Andrews looked up. "Does anyone remember what the Bible says about the devil? He is going around like a . . ." "I know! I know!" Matthew waved his hand in the air. "Like a roaring \_\_\_\_, seeking whom he may devour!"
- "I've got it!" Trevor said. "In every battle you will need faith as your shield to stop the fiery \_\_\_\_ aimed at you by Satan," he read.
- "Look in Ephesians 6 & find out what He gives us for a \_\_\_\_."

- [Tuesday's lesson] Look up in an encyclopedia or on the \_\_\_\_ how much armor weighed. Could you wear that kind of weight? How heavy is God's armor?
- Mr. Andrews finished his sketch on the blackboard. He put down the chalk & dusted his hands together. "Does anybody know what this animal is?" he asked. "A \_\_\_\_?" Marianne suggested.
- "Read the next part," Matthew interrupted. "It says, 'Pray at all times & on every occasion in the power of the \_\_\_\_.'"
- "That's right!" Mr. Andrews agreed. "And God's armor covers all of us. He gives us salvation for a helmet to cover our heads. He gives us His righteousness as a body armor. He gives us truth as a sturdy \_\_\_\_\_. He even protects our feet with the peace of His good news. He doesn't leave any part of us out there exposed to danger."
- "I might as well put you out of your misery," Mr. Andrews responded. "You already know that I'm not the world's greatest artist. It's an animal you've never seen before." He grinned at the class. "It's a \_\_\_\_ without its shell."
- [Monday's lesson] Read Ephesians 6:10-18. List the pieces of armor. Circle the one that you feel you need most this week. With an adult discuss which of the pieces of armor are defensive? Which are \_\_\_\_?
