- The boy thought about the many times he had watched his mother make \_\_\_\_\_. She added only a small amount of yeast in comparison to the flour.
- [Thursday's lesson] Read Matthew 13:34, 35. Write a \_\_\_\_\_ of your own about God's work in your life.

- "The kingdom of heaven is like yeast that a woman took & mixed into about sixty pounds of flour until it worked all through the \_\_\_\_\_" (verse 33).
- "Does that mean that we will produce good \_\_\_\_\_ naturally?" quipped his friend. "You're right. God does it all for us," said the mother, "from beginning to end."
- "I agree. It's just a plant." Mustard plants were common. They often grew more than six feet tall. Birds flocked to the plants. They ate the tiny seeds & rested on the shady \_\_\_\_\_. In the early spring the boys liked to eat the curly green shoots of the plant.
- \_\_\_\_\_ home at the end of the day with his family, the boy couldn't wait any longer. "Did any of you understand what Jesus was talking about with the mustard seed & the yeast?" he blurted out.
- "Though it is the smallest of all seeds," Jesus continued, "yet when it grows, it is the largest of garden plants & becomes a \_\_\_\_\_, so that the birds come & perch in its branches" (verse 32).

- "They convinced me to go." His friend shrugged his shoulders. "What about you?" "I figured I'd come & see who my \_\_\_\_\_ keep talking about," replied the first boy.
- "Maybe that's it. Then any of us could belong to God's kingdom. What a privilege! But what about the \_\_\_\_\_?" asked his friend.
- [Wednesday's lesson] Read Matthew 13:33. What do the yeast, flour, & woman represent in this verse? Find recipes or ask someone to explain how yeast works. Watch the yeast \_\_\_\_\_ in the dough.
