The Servant Master

LESSON 11
What was most interesting in the Bible story?
What activity was most enjoyable?
What new things did you learn?
Activity A

Serving at the Banquet

• Form groups classified according to food names. Listen for the call of the ‘food’ you are ‘serving’ and be ready to respond to the prompt.

• What example did Jesus give His disciples at Passover?

• How did He show the importance of living in unity and serving one another?
Activity B

“What I Need Is”

• Take turns saying your name and a need. Then repeat in order the names and needs of others.
• Why is it important to identify the needs of others?
• What did Jesus teach by washing His disciples’ feet? Why do we need humility to serve others?
“Now that I, your Lord and Teacher, have washed your feet, you also should wash one another’s feet. I have set you an example that you should do as I have done for you” (John 13:14, 15).
We share God’s love with others when we serve them.
